

Jr. Wolverine Wrestling Club LLC
Season Check List
www.jrwolverinewrestlingclub.com

Our web site serves as a daily reminder of practices and any breaking announcements regarding the club. The schedules link has our practice calendars by month.

Please notify coach via e-mail or phone call if you will miss practice.

All student-athletes must have completed registration, medical and waiver forms before any practice can occur. The university of Michigan compliance office requires all information of the wrestling club. The registration form allows us to insure your child through our association with the Michigan Youth Wrestling Association (MYWAY).

Crisler Arena requires all student-athletes to remain in the wrestling room. We do not have permission to walk around the facility. Michigan Basketball-men's & women's and gymnastics use the facility at the same time as the Jr. Wolverine's. We can not disturb these teams or we will loose our ability to use and rent the Michigan Wrestling Room.

Check List:
(Required*)
